ABOUT ME

I'm a web developer with over 6 years of experience in HTML, CSS, JavaScript, and PHP. I also have expertise in Vue.js for developing web and mobile applications. I'm continuously learning and adapting to the latest industry trends.

EXPERIENCE

Web Developer

Proweaver, Inc.

August 2018 - April 2022

Converting design layouts into website pages using HTML, CSS, JavaScript, and WordPress, maintaining and improving existing websites, interpreting and implementing instructions from clients, collaborating with team members, and fixing any website issues or bugs.

Lead Web Developer

Proweaver, Inc.

April 2022 - January 2023

Mentoring and providing guidance to newbie developers. Reviewing code written by other developers. Staying up-to-date with new technologies and tools that could improve the development process.

Web Programmer

Proweaver, Inc.

January 2023 - October 2023

Developing web and mobile applications using Vue.js. Creating and improving office tools. Conducting code reviews and providing feedback to other developers to ensure code quality and maintainability.
